More than 10 years' experience in programming with Microsoft .net technology

Academic Educations

- ***Bachelor Degree***
Software Engineering

Key Strengths

- ***C# Windows App***
- ***Asp.Net MVC***
- ***Asp.Net MVC Core***
- ***Asp.net Web API***
- ***SQL Server***
- ***Entity Framework (Database First and Code First)***
- ***Stimulsoft Report***
- ***Embedded Device windows CE***
- ***Git, SVN***
- ***jQuery***
- ***Html, CSS***
- ***Ajax***
- ***Java Script***
- ***Bootstrap***
- ***Open Street Map***
- ***Axure***
- ***Java SE***
- ***Android Studio***

Self-Studies Courses

- ***React JS***
- ***Node JS***
